Dear [Redacted]

STAT

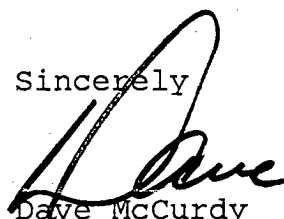

On the completion of your assignment with the Office of Congressional Relations, I wanted to express my deep appreciation for the outstanding support you provided during the hearings I chaired in Intelligence Support for Arms Control.

Your positive "can-do" attitude in ensuring that our numerous, often complex and short-fused requests were expeditiously answered with the best available information was a major contribution to the success of the hearings.

I wish you the best of luck in your new assignment.

With best wishes,

Sincerely

Dave McCurdy
Member of Congress
